Other Business

A good way to further our speaking us is by joining speaking up groups outside of The Action Group.

HYS members already attend groups like The Assembly, People First, National Involvement Network and The Edinburgh Learning Disability Advisory Group (ELDAG).

A HYS members shared information about each group and what it was like to attend.

A HYS members said it is not always possible to attend everything as you can be busy with other things. .

Other Business

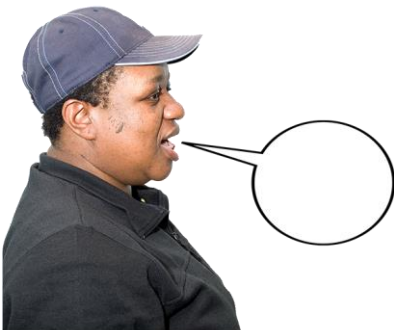

Some HYS members were interested in joining The Assembly on Zoom but would need help to learn about using Zoom.

Gayle will look into support for this

HYS members did not want to join any other groups at this time.

HYS agreed that it would be a good idea for those who do go to other speaking up groups to update HYS on what they are working on. We will make this part of our meetings.

This way people keep up to date with speaking up opportunities outside HYS and join in they want to.

Other Business

HYS Fundraising

We took names of those who wanted to help run the Tombola at the AGM.

Gayle will check if Team 1.11 will be running a tombola at the AGM also. This way we can plan well.

Reminder that our next meeting will be on the Thursday the 5th of October. Meeting topic:

Lets' Be Heard – Scottish Covid - 19 Inquiry.

Thank you for coming to the meeting.
