

Dear Everyone,

I hope life is going well and you have nice plans for the summer months. I am writing to update you on a few things.

## 1. New Services:

We are continuing with our work to offer more services to people in East Lothian. This is going well, and we will start supporting people soon.

This is possible as we are taking over from another support provider. This will take 3 to 6 months to complete.

## 2. TAG Evolve

We are continuing our work to improve our support service. This is called TAG Evolve.

### 3. Extra spending to make what we do better including:

Employing new staff to help us to make sure we:

- ✓ keep finding the right staff to work at The Action Group and to involve you in this.
- ✓ offer support to improve digital skills and services.
- ✓ get the most funding, so we can do more for you.
- ✓ provide you with the right support to speak up about what is important to you.

Extra spending on projects:

- The tapestry project is funded for another year. We are almost halfway through making the tapestry which is great news.
- More money to provide more activities at the Prentice centre.
- Some money to help those who are finding it hard to make ends meet or need a digital device.
