

What we talked about at  
our meeting on the

# Welcome

Hello and welcome

Zoom rules

We started the meeting by planning in our meeting topics for the rest of the year.

HYS had lots of ideas

# Meeting ideas

Paying for missed support hours

Care Charges

Choosing our HYS logo

Problems with public transport

Making shopping accessible

Volunteering at The Action Group party.

# Meeting Topics

Support at health appointments

Everything is costing more and how this affecting our lives.

Linda Tuthill to join HYS to look back at the work that HYS have done this year.

HYS planned in these topics and a calendar of these will be shared so it is easier to plan in support.

# Meeting Topics

We went through the HYS meeting survey results

HYS agreed Edinburgh was the best place to meet as it was the only place everyone had said they could get to.

HYS agreed that the Portobello Social Hub or Norton Park offered a lot of what the group were looking for.

For example large screen to play video's, presentations and Zoom

# Meeting Topics

Not everyone agreed which building would be best. HYS will vote so we can make a decision.

HYS will make sure you can also join face to face meetings by Zoom.

If we need any planning meetings these will be held on Zoom.

HYS can keep checking on how face to face meetings are going and talk about changes that maybe needed.

# Other business

A HYS member said they had been blocked from the Facebook page.

This was looked into there was not a block.

There was an issue that was making it harder to see posts on Facebook and support was given to make this better.

We also talked about it being ok when people have different ideas and how we can use voting as one way to help us come to a decision.

Thank you for coming to the meeting
